

# Reading *The C Programming Language* in 2020

Hearot

July 21, 2020

# Contents

# Chapter 1

## Introduction

```
1 #include <stdio.h>
2
3 int main() {
4     printf("hello , world\n");
5     return 0;
6 }
```

There is no other way to introduce programming, but to get to learn about the traditional **Hello world** example.
